# SUMMER DAZE 2024

## ATTENDANCE / FEES

There are no minimum days or hours of attendance for Summer Daze. All fees are paid by auto deduct from your bank account on file each Wednesday, following the week of care provided. Payments not honored by the bank will incur a \$30 fee. Please note that any account that becomes two (2) weeks in arrears, a \$30 late fee will be charged to your account. If fees are not brought current, or payment arrangements have not been made, at the principal's discretion, the student/s may not be allowed to attend the program until the account is current.

The Following Options are available:

Each Full day (over 6 hours) = **\$55** or

Each Half day (6 hour maximum) = **\$45**

## FIELD TRIPS

Field Trips / At School Events are planned and announced in the spring. **An Additional Field Trip cost of \$13 per trip per student will be applied to your account for each event attended and auto paid with the weekly fees due.**

Alternate supervision is not available at the school in the event that a child may not want to attend a field trip. All participants for the day must pay the additional fee for the trip/Event.

## HOURS OF OPERATION

Summer Daze will be open June 3 – August 9, 2024 from 7 a.m. until 6 p.m., Monday through Friday **with the exception of Thursday, July 4th and Friday, July 5th.** Summer Daze's last day is **Friday, August 9, 2024.**

## REGISTRATION

Registration fee is **\$80.00** for the first child and **\$50.00** for each additional child in the immediate family. Registration fees and all required paperwork must be received before your child is considered enrolled in Summer Daze. Registration fees are non-refundable.

To register go to:

# SUMMER DAZE 2024

## Week 1 - June 3-7, UNDER THE SEA

Lots of us go to the beach for the summer, but what if we bring the ocean to you? Kids will get to learn and play at the same time with lots of fun projects!

## WEEK 2 - June 10-14 : ARTS AND CRAFTS

Each child has God given gifts and talents unique to them. Take time to explore your creativity in Summer Daze this week.

## WEEK 3- June 17-21: GO FOR THE GOLD CAMP OLYMPICS

The Olympic Games provide so many amazing opportunities for learning more about sports and sportsmanship! Our activities will introduce your child to the themes portrayed in the Olympics, as well as give them opportunities to develop physical skills needed for the games. There will be opportunities to develop your learners' teamwork skills as well. This week is also VBS, Vacation Bible School, which is a church event that we will attend from 9-12 daily.

## WEEK 4 - June 24-28: MINI METEOROLOGIST

What kind of cloud is that? How fast is the wind? What makes thunder? Join us this week and learn about weather.

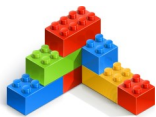

## WEEK 5- July 1- July 5: FUN AND GAMES

Games give kids the opportunity to have fun and learn that games and rules that need to be followed as well as giving them a chance to learn that sometimes they win and sometimes they don't. Learning how to loose and trying again is an important life skill we will practice with board games, paper games and gym games.

## WEEK 6 - July 8-12: WET AND MESSY

Like getting messy? This week we will have fun with both wet and messy art, games and projects. Make sure to send kids in clothes that can get wet and messy.

## WEEK 7 - July 15-19: LEGO BUILDERS

Lego Bricks provide a great opportunity to discover the joy of building while learning concepts of STEM and science. Participants will have the opportunity to work individually and in small groups to build on their own and complete challenges

## WEEK 8 - July 22-26: THE MAGICAL WORLD OF HARRY POTTER

Campers will immerse themselves in the magical world of Harry Potter. We will use our imagination while making crafts, potions, spells and learn about some of the magical creatures in the books. Kids do not have to have read the books or see the movies to have a great time!

## WEEK 9 - July 29- Aug 2: DISNEY

This week we will have projects related to some of our favorite Disney movies. Projects will revolve around: Despicable Me, Elemental, Frozen, Cars, Lilo and Stitch, Toy Story, Coco, and How to Train your Dragon.

## Week 10 - Aug 5-9, ROBOTS / AI

Campers will learn how to code robots to complete a task they have set. Technology is the future and coding helps students learn about robotics and going through the process of trial and error until a task is complete.
