

PLANNING A REUNION

Thank you for taking on the role of planning your next St. Peter reunion. We want to help you through the planning process and work with you to make your reunion a huge success! Below are the following services we can help you with in planning your upcoming reunion.

- Connect you with others in your class interested in helping on the planning committee.
- Provide class listing with contact information
- Advertise your reunion to your classmates through our website, Facebook page and emails.
- Set up a tour of the church/school campus.
- Arrange to have someone from the church/school staff attend your reunion and give an update about St. Peter.
- Arrange to have your class recognized at a worship service.
- Reserve the St. Peter facilities for the reunion if you so choose.

We hope your reunion brings your class together again to reminisce and catch up on the many paths your lives have taken since graduating from St. Peter. St. Peter strives to set the groundwork for our students to go out and live Christ-centered lives and we pray that no matter where you are today, you remember the friends, teachers, and lessons taught while you were here.
