

# At the Cross

Facilitated by Dessi Bushi

**Saturday, March 18 • 9:30am-12:00pm**

The cross is a significant image for Christians as a metaphor for the journey from suffering and pain, to resurrection and new life. As we face struggles in our own life the image of the cross may help us through the transition to find peace and restoration. Join us for a unique morning of reflection, prayer and art as we use the process of discernment to look at those areas of our life which may call us towards renewal. Working from these inner-reflections, we will manifest our transition of discernment through the handcrafting of a mosaic cross. No experience necessary. You are also invited to optional Liturgy at 8:30am in Our Lady of the Angels Chapel.

**\$25, Registration requested by March 9.**
