by 8 year old Phenom

# Madison Stewart

We are looking for extras to be in the video Saturday July 27<sup>th</sup> at

**St. Peter in Schaumburg!**

We are shooting the chorus of the song at 8am-11am (all ages)

We are shooting the Classroom scene (first verse) 12pm-4pm 6-10 years old)

We are shooting the Pre-Chorus of the song at 4pm-8pm (6-10 years old)

We are looking for extras of kids (boys/girls) of all ages for the chorus that will proudly represent St. Peters! If you are interested in the classroom scene or the pre-chorus scenes we ask that you are 6-10 years old and that you have plain clothes with no logos showing. Style is encouraged with hats, bows, and anything else that stands out. Babies or younger children 3-4 years old for the chorus are encouraged to wear the most adorable outfit they have. Sailor outfits, mermaid costumes, etc. The funnier and fun the better! We will be shooting scenes of dancing, dance contest, adults dancing, and parents dancing with their kids, the whole nine during the chorus! So get ready to have fun! Please note that you will be asked to sign a consent form for filming your child 😊

“SMART” is a very positive song about grade school bullying and self-esteem for young girls and all children alike! The song is upbeat and extremely catchy! The song’s most important message is that we can all stop bullying by acknowledging that in order to be “cool” you don’t have to bully someone else you can be cool by following your own passion and being yourself. That’s what makes you SMART!
