Is The Bible Reliable?

exploreGod™

Admit that all of us have a perspective on the Bible. Some are very familiar with it. For others, it's foreign or even frightening. If you've been reading

the Bible for a long time, you can think back to those early days of trying to figure it out. And some of you are just now beginning. Wherever you are, this is a great message for you. And it is more than a message. It is a story of God's love for you and a roadmap to life. Is the Bible reliable? Join us in worship as we Explore God! Go to stpeterlcms.org/exploreGod for weekly discussion videos and sermons.

Listen to past sermons at www.stpeterlcms.org/sermons.
