Making It Out!

North side? South side? East end? West end? No matter where you come from, living in a "dead end world" can be frustrating, depressing and can leave you feeling hopeless! This weekend in worship, we will explore the love Jesus

has for you and how He brings peace, hope and life for all people! It really doesn't matter where you come from, but it surely matters where you're going!

FALL BIBLE STUDIES:

Pastor Bible Study will begin a new focus on September 1st. **James - How Faith Works**. Class will be on Sunday Mornings at 10:05am Sept. 1 through Oct. 6. Just like any partnership on the dance floor, one has to lead and one has to follow, otherwise they will trip and fall. Often people are

tempted to think it is more important to do good for others than be concerned about what we believe.

However, it all works together as God leads us so that we don't fall. Come study His word and trust in Him to lead you with the right steps! God continues to speak to us through the book of James concerning: the proper relationship between faith and works; what it means to be free to serve God with fruits of faith and practical ways of putting your faith into action through Christ-like loving and living. Join us Sept 1st!

***TAKE NOTE:** The rest of the Fall bible studies including Tree House will begin the week after Labor day. Stay tuned for more information.
