

Our website (www.stpeterlcms.org), mobile app, social media, and financial/admissions software (https://app.praxischool.com/parent_login.php) exist to ease paperwork for parents and staff and facilitate communication.

What does the St. Peter Website, App, and Social Media do for our parents and how do we register?

St. Peter Website: www.stpeterlcms.org/school

WHY REGISTER FOR THE WEBSITE? Our website is currently our biggest communication tool for St. Peter families. As a school we have a responsibility to maintain the privacy of our students. **All teacher's pages are set to private viewing only.** The general public will not have access. Only registered school families will be able to view certain information about our students. This allows teachers to share pictures and classroom details more freely. In order to view this information, parents must register for the website. After you register, our tech team will be able to allow parental access our School Group. This will enable you to view our "Inside Information." If you have already registered, great! You are already a step ahead.

- 1) Register for our website (please allow 1 week for Private View to turn on)
 - a. Go to www.stpeterlcms.org
 - b. Click the SIGN IN button at the upper right corner
 - c. Create your user profile.
- 2) Create your PASSKEYS on the main website. What are passkeys? On our website you will see a small key in the upper left hand corner. Once the passkey is set up for praxischool.com you will be able to connect to both websites with one click! All three websites and passwords connected in one place. Follow the instructions below to setup the passkeys for the first time:
 - a. Click the key symbol in the upper right corner.
 - b. Select Add New Passkey
 - c. Enter the site along with your user name and passwords to the site
 - d. Repeat for other websites

St. Peter Schaumburg App

Download the St. Peter Schaumburg APP at the App Store or Google Play. Have the details of St. Peter at your fingertips and receive notifications and reminders.
