Dear St. Peter School Family,

As local school districts have announced their closings next week and through spring break effective Monday, March 16, we too will follow suit. Our school building will be closed next week through our scheduled Spring break. The building will continue to be cleaned and sanitized.

Students are bringing materials home to continue school at home under their teacher's direction. You will receive an email from them by Monday morning providing details on how that will look for your child's grade level. Please look for this communication.

While there are many unknowns and questions to be answered as how this virus is being managed, we are following recommendations of the CDC and government officials. Today in chapel we were reminded that being scared or worried is meaningless as we are United in God's Word and His great love contains us.

If your student is in need of materials to complete lessons at home, the school will be open from 7am - 10am on Monday, March 16 to gather materials as needed.

Continue to pray about this situation our country faces and in asking God for His blessings! While this is uncharted territory we are confident that God will sustain us. We will keep you posted as to new information as we obtain it.

**EVENT UPDATES:**
Solofest is postponed to a later date.
Main School preschool will not sing at 5:00 p.m. Saturday service.
Restaurant Night out for Monday, March 16 is postponed
Open House scheduled for Tuesday, March 17 is postponed.

In Him,

Stephen P. Zielke
School Principal
